

## **Additional Information**

### **Swimming**

Sun cream - this should be applied *before* school on days your child swims. It should not be put on **at** school, as it leaves a residue film on the top of the water.

Verruca socks - these **will not** be supplied by the school and will need to be bought from the chemist.

Swimming hats - if children have hair longer than their shoulders, they will need to wear a swimming hat.

Goggles - children will not be allowed to swim with goggles unless I have written consent from a parent/guardian.

### **Warm weather**

As the weather gets warmer please send children in with plenty to drink during the day and a sun hat for outdoor learning/lunch times.

Regards,

Mr Rogers
