

Thailand Class - Spring Term 2017

We have been very busy this term in Thailand Class! The highlights of the term have been Forest School every week and our class assembly.

In Forest School, we climbed trees, played in the mud kitchen, used bows and arrows, sawed wood, peeled carrots, learnt about fire safety, toasted marshmallows, walked along rope, made willow plaits and made our own rope.

In our class assembly, we showed our Lion King dances, hosted a quiz for the school, sang a Noah's Ark song and retold a story by heart.

We also pretended we were artists like Michelangelo by lying on the floor and created drawings of Thailand.
