

UK and Austria Classes News Update

Summer 2017

- Our topic for this term is 'On the Move'. To start us off we are making a wall story by drawing vehicles that we might ride in on holiday. We are also studying a book called 'Journey' by Aaron Becker. It's a wonderful adventure book without words and we have been looking very carefully at the pictures and making up our own story to go with them.

On the Move

- Our Open Area has been made into an airport and we will have great fun dressing up and pretending we are flying a plane.

National Trust Top 50 things to do

- This term we are trying to do as many things that are listed on the National Trust Top 50 things to do before you're 11³/₄s. We are collecting photos showing us out and about getting active in the outdoors. More information about this excellent scheme can be found here <https://www.nationaltrust.org.uk/50-things-to-do>.

Friday Sing-a-Long Sessions

- We are very grateful to Ros who has been coming in to see us on Fridays. She brings her guitar and we sing-a-long with her and accompany her on our instruments.

Forest School Sessions

- We have been enjoying the warmer weather at our Forest School sessions. We have been making woodland nymphs out of wood and fabric and we have also made spring crowns. We are starting to grow vegetables and flowers in our two garden areas. Here we are watering our sweet peas.
