

I have been teaching at St Mary's for about eight years now. I originally started as a Year 3 teacher in New Zealand class but have since gone on to teach in Year 5 in both China and Mexico classes. At present, I am the D&T co-ordinator but also take the football teams to leagues and tournaments, primarily in Horsham.

At the weekend, I enjoy taking part in my local Parkrun or going for a walk either through the countryside or along the coast.

If you have any queries about Mexico class, please contact me using our class email:
