

Hi, I am Mrs Martin-Wells and I love teaching in EYFS and Year 1. I really enjoy nurturing all children to be the best versions of themselves and to be happy, confident learners ready for the rest of their school journey. I particularly enjoy teaching Maths and Art and love seeing children's creative sides shine through.

Outside of school, I am busy being mum to my 2 children, Mabel and Elwood (7 and 1). We love doing craft together, visiting family, exploring the outdoors and eating lots of nice foods together. My husband and I also have our own business in the events sector and often host events in our business space and have workshops running from other businesses. I look forward to meeting you as the year progresses.
