

Welcome to India Class. My name is Miss Sleat and I am the teacher for India Class - Year 2.

I joined St Mary's in 2018 and have taught in years 5, 4, a Yr 1/2 mixed class and Year 2. I am the school's RHE and Computing Lead, as well as being one of the Senior Mental Health Leads (SMHL) at the school and have a passion for online safety and mental health in both children and adults. I love being a teacher and like to have lots of fun!

Outside of school I am a mum to 3 girls and 1 boy and I have one granddaughter. I am very family-orientated and enjoy spending time with them all.
