

Hello! My name is Miss Aburrow and I teach China Class (Year 5) at St Mary's.

I trained for three years at the University of Chichester, my hometown, and have loved every second of my time at St Mary's since I graduated! I specialised in Special Educational Needs and Disabilities and pride myself on creating a loving, friendly environment in my classroom for every single child, catering to their unique abilities and encouraging them to work together to understand each other as much as possible.

Outside of school, I am a performing arts teacher. I teach singing, dancing and drama to children and adults of all ages and I absolutely love it! Performing and music are true passions of mine and I am so excited to bring my love of all things theatrical to school this year. I believe that physical, active learning is invaluable in the classroom and know that for children to succeed, they need to feel excited and immersed in what they are doing! When I'm not teaching, I like to spend as much time with my family as possible: walking my dog (Delilah), going to the theatre, and cooking big family meals together.

I operate firmly on an 'Open Door Policy' and will always make time for you to voice any thoughts or concerns you might have. You can contact me through my class email address:

I really look forward to getting to know you as the year progresses!

Warm wishes,

Miss Aburrow ☺
