The topics above provide a focus for our learning and have important links with areas the children have studied and will study next year.

Please note: As part of the statutory RHE and Science curriculum, we will be covering puberty. This means we will use scientific names for body parts. Please don't hesitate to email me or speak to me with any concerns you might have!

SPELLINGS

We have five spelling groups in total. These are fluid and I will continually assess the children across the year to ensure this stays a meaningful task for them.

Spellings will be handed out every Monday and then tested the following Monday.

These are stuck into reading logs and posted on Google Classroom to ensure everyone can access them at home.

READING

Reading logs are collected at the beginning of every day, checked to keep a record of engagement and then taken home by the children at the end of the day. As a school, we expect to see **at least three entries per week**.

Reading is like breathing in, writing is like breathing out.

**Read for 20 minutes a day
and you'll read
1,800,000 words per year.**

**Children who read
1,000,000 words per year
are in the top 2% for
reading achievement.**

We will endeavour to listen to the children read in school as much as possible. If you are available to come into school and listen to readers, do let us know! We would love to have you!

HOMEWORK

Homework Grid

- For each new topic, we will post a new homework grid on Google Classroom. By year 5, we recommend that children attempt to complete 1 piece of homework each week, to prepare them as they approach secondary school.

Accelerated Reader and MyOn, Times Table Rockstars

- The children have all got their respective log ins glued into the back of their reading logs, so that they can quiz library books at home and access TTRS as much as they wish to.
