

Topic					
YEAR 1 HOMEWORK - SUMMER TERM 2025 - Land Ahoy!					
English and Communication	Research a famous boat, such as the Titanic, Mary Rose or Cutty Sark. Create a poster to show what you have learnt.	Visit the library and borrow a book about boats - write your own story or book review.	Create your own pirate character and describe them using adjectives.	Read at home with your grown-ups (at least 3 times a week). Make sure you write it into your reading record.	Play some phonics games to help your segmenting and blending: https://www.phonicsplay.co.uk/
					
Maths and Problem Solving	Log into Numbots and challenge yourself to move up a level on our leader board!	Begin to practise your 10, 2 and 5 times table on TT Rockstars! This will be helpful for you to know in Year 2!	Create your own array at home using everyday objects. Write down the multiplication facts you have learnt.	Play shops at home - Practise recognising different coins and counting money.	
					
Science and the outside environment	Go on a walk and play Pooh sticks	Design and create your own boat - will it float or sink?	Make a pirate treasure chest using recycled materials.	Make your own sun dial. Leave it in the garden and watch how the shadow moves!	
					
Humanities and Citizenship	Make a map of your local area - make sure you include all of the physical and human features.	Find and learn some pirate jokes! Practise them at home and perform them at school!	Look at holiday destinations in a brochure or online. Find them on a map - why would you like to go there? What would you have to pack?	Make a summery dish at home! Write down the recipe you have used.	Write a letter to your new teacher telling them all about you!
