

Topic	YEAR 2 HOMEWORK - SUMMER TERM 2025 - Land Ahoy!				
English and Communication	<p>Research a famous boat, such as the Titanic, Mary Rose or Cutty Sark. Create a poster to show what you have learnt.</p> 	<p>Visit the library and borrow a book about boats - write your own story or book review.</p> 	<p>Create your own pirate character and describe them using adjectives.</p> 	<p>Read at home with your grown-ups (at least 3 times a week). Make sure you write it into your reading record.</p> 	<p>Play some phonics games to help your segmenting and blending:</p> <p>https://www.phonicsplay.co.uk/</p> 
Maths and Problem-solving	<p>Log into Numbots and challenge yourself to move up a level on our leader board!</p> 	<p>Practise your times table on TT Rockstars!</p> 	<p>Create your own array at home using everyday objects. Write down the multiplication facts you have learnt.</p> 	<p>Play shops at home - Practise recognising different coins and counting money.</p> 	
Science and the outside environment	<p>Go on a walk and play Pooh sticks</p> 	<p>Design and create your own boat - will it float or sink?</p> 	<p>Make a pirate treasure chest using recycled materials.</p> 	<p>Make your own sun dial. Leave it in the garden and watch how the shadow moves!</p> 	
Humanities and Citizenship	<p>Make a map of your local area - make sure you include all of the physical and human features.</p> 	<p>Find and learn some pirate jokes! Practise them at home and perform them at school!</p> 	<p>Look at holiday destinations in a brochure or online. Find them on a map - why would you like to go there? What would you have to pack?</p> 	<p>Make a summery dish at home! Write down the recipe you have used.</p> 	<p>Write a letter to your new teacher telling them all about you!</p>
