

Hello! I have been asked to write a blurb about myself so that you have a little more insight into me as one of the New Zealand class teachers at St. Mary's CE (Aided) Primary School.

My name is Mrs McTiffen. I joined the school in 2014 and have enjoyed working as both a class teacher and SENDCo in this time. I am passionate about helping all children to flourish emotionally, socially and academically.

I graduated with a degree in Psychology from the University of Nottingham and shortly afterwards, completed my PGCE at Brighton University. A few years later, I completed the National Award for Special Educational Needs Coordination.

Outside of school, I enjoy swimming, dancing and travelling. I recently got married and have a beautiful baby daughter, who I love watching grow.

I am looking forward to getting to know the new members of New Zealand class and cannot wait to see what adventures we embark on together over the coming year. If you have any questions, or would like to introduce yourself; please feel free to speak to me at the end of the day. Alternatively, you can contact me through our class email address: [nz@stmarysprimarypulborough.co.uk](mailto:nz@stmarysprimarypulborough.co.uk).

I look forward to meeting you.

Kind Regards, Mrs McTiffen
