

I joined St Mary's in 2014 and have taught in Year 1, Year 4, Year 5 and Year 6. I have been a member of the Senior Leadership Team since 2018. My current roles include coordinating Assessment and Religious Education across the school. I believe in a broad and balanced curriculum and strive to include opportunities for creativity across all subject areas to accommodate a diverse range of learning styles and enable all children to flourish.

As a trustee of the charity Education West Africa, I was privileged to have the opportunity to visit Sierra Leone in February 2024. This was an inspirational and memorable trip and it was heartwarming to meet the children at our link school in Kenema. Despite the many challenges faced, the children that we met were cheerful, enthusiastic and showed tremendous pride in their learning. Since my visit, we have approached our fund-raising at St Mary's with refreshed determination and look forward to continuing to support EWA with their future projects.

Outside of school, I enjoy reading, cycling and walking in our beautiful local area, particularly on the beach!
