

# ST MARY'S C OF E (AIDED) PRIMARY SCHOOL

'A Christ-centred school with a child-centred curriculum'

5th September 2025

## Message from Mrs Copus

We hope that you have had a wonderful summer. There was so much to be grateful for – time with friends and family, great weather and time to relax and recuperate. I hope that everyone is ready for a busy term! It is great to have us all back together again and a very warm welcome to the new families that are joining us.

The school site has been busy over the holidays updating, upgrading and getting ready for another school year. We've had new decarbonisation boilers installed, the Lions Club have repainted the pencil fencing outside Thailand class, the front playground has been remarked for the children, a vibrant new entrance hall has been installed and Year 6 classrooms and cloakrooms have been repainted. We are blessed to be able to provide such a well-kept school for our children to learn in.

**Inset days** – The staff returned earlier than the children for our two inset days. On Wednesday, the teachers came together to look at assessment of foundation subjects and writing with a focus on spelling within our writing. On Thursday the whole staff team met to look at Child Protection, Safeguarding and Health and Safety with some staff completing their fire warden training.
