WB 8th July 2024

This is the last full week for us and we continue to get the children ready for transition. The children should all have come home with a transition booklet to help with conversations at home during the holidays. Please liaise with your child's current class teacher if your child is worried about the change. New Classes day tomorrow should help with preparation.

Art exhibition – Well done to all the children that had their work displayed at the village hall at Fittleworth. We are so proud of the art in the school and the outcomes that the children produce.

It's Your Move – Splash have been in to run transition sessions with the Year 6 children. We had a kind donation of 'It's Your Move' books that the Year 6 will be able to bring home to help them during the holidays.

End of Year production – Well, what can we say? What fabulous performances of Joseph and the Amazing Technicolour Dreamcoat we were treated to last week! The children should all be incredibly proud of themselves, as are we, for working so incredibly hard and showing off what talented individuals they all are. It was an absolute delight to see them shine up on the stage, or in the choir, and get more and more confident as the week progressed. Huge thanks to all of the staff and volunteers for taking on such a huge project and making it such a success.

Year 6 Prom – After working so hard on their production, it was time for the Year 6 children to let their hair down and celebrate the end of their time at St Mary's with their Prom. They arrived in style and dressed up to eat and dance together one final time. A fantastic evening had by all. Many thanks to our sponsors for helping us give the children a send off to remember.

New Castle – Look at the replacement for the pirate ship. We are so pleased with the castle that has arrived.
