

Hello,

Welcome to Australia Class. My name is Mrs Packham, I will be the class teacher this year and will be supported by Mrs. M as class teaching assistant.

I am new to St. Mary's this year and am very excited to begin my journey in Australia. I am passionate about inspiring our next generations of leaders, teachers, performers, sports stars... or anything their imaginations can manifest.

I love to sing and coach football and hope to become an active member of St. Mary's both in and out of the classroom.

On a personal note, I am married to Simon, a police sergeant and we have two children. Sean is 16 and studies music at college. Aine is 9 and is a keen gymnast and writer. My favourite things to do are spend time with family and friends. I also love to swim, read and play board games.
