

'Sensational Senses' Homework Grid - Autumn 2
Italy

Please complete one activity from the grid below each week. We can't wait to see your learning.

Geography

Draw a map of your journey from home to school. Make sure you include important landmarks, e.g. church, supermarket, park, etc.

English

Go on an autumnal/winter walk.

Describe what you can:

See, hear, touch, smell, taste.

Write down your descriptive sentences - You could even turn them into a poem!

Maths

Practise your number bonds to ten by creating your own tens frame. You could fill it with natural materials, such as conkers or pine cones.

Science

Create your own rain gauge to measure the rainfall over a short period of time. What do you notice?

TRICKY QUESTION: How do you think the results might be different if we did the same investigation in the summer?

DT

Make a Christmas-inspired treat! What can you smell, taste and see?

RE

Create your own nativity scene - you could do this using a range of different materials!
