

'Frozen Planet' Homework Grid- Spring 1  
Italy

Please complete one activity from the grid below each week. We can't wait to see your learning.

<p><b>Music</b></p> <p>Find something around your home which could be used to create the sounds of Antarctica. Bring it into school to use for our Antarctica soundscape!</p> 	<p><b>English</b></p> <p>Write a story all about the journey of a baby penguin from birth to adulthood. How many facts can you include from our learning at school?</p> 	<p><b>Maths</b></p> <p>Make sure you are practising your number facts on Numbots. We will be giving prizes to the children who have logged on the most this half term!</p> 
<p><b>Science</b></p> <p>Design your dream house - How many materials can you incorporate into your design?</p> 	<p><b>Art</b></p> <p>Create a sculpture of a landscape of Antarctica. Use objects from around your house to create icebergs, the sea, animals and more. You can take a picture and email it to your class teacher or upload it to Google Classroom.</p> 	<p><b>RHE</b></p> <p>Create a collage to represent you! Include your favourite things. We will compare how we are the same and different, and celebrate this together!</p>
