

'Frozen Planet' Homework Grid- Spring 1
Australia and India

Please complete one activity from the grid below each week. We can't wait to see your learning.

<p><u>Geography/History</u></p> <p>Research a famous explorer from history. Write a fact file about them and share your knowledge by presenting it to the class.</p> 	<p><u>English</u></p> <p>Write a story all about the journey of a baby penguin from birth to adulthood. How many facts can you include from our learning at school?</p> 	<p><u>Maths</u></p> <p>Make sure you are practising your number facts on Numbots and TT Rockstars. We will be giving prizes to the children who have logged on the most this half term!</p>  
<p><u>Science</u></p> <p>Make a rain gauge out of a plastic bottle. Leave it outside for 1 day and measure how much rain has fallen. Repeat this, and compare your results. Do they suggest we are still in Winter or entering into Spring?</p> 	<p><u>Art</u></p> <p>Create a sculpture of a landscape of Antarctica. Use objects from around your house to create icebergs, the sea, animals and more. You can take a picture and email it to your class teacher or upload it to Google Classroom.</p> 	<p><u>PE</u></p> <p>Set yourself a timer for 1 minute and see how many goals you can score. You could ask a friend or grown-up to be the goalkeeper to challenge yourself even more!</p> <p>Visit Cosmic Kids Yoga on YouTube and complete one of the yoga adventures.</p> <p>https://www.youtube.com/@CosmicKidsYoga</p>
