Week beginning 12th January 2026

## Message from Mrs Copus

The week has been busy with drama workshops, outdoor learning and sporting events. The rain hasn't stopped play and we are looking forward to next week!

## Living Church Links

Christian values – We are thinking about humility, service and forgiveness this half term. Our whole school worship this week was about Epiphany. This week we thought about Humility in our worship. We thought about walking in someone else's footsteps. The Bible talks about Jesus washing the disciple's feet and Mrs Copus acted this out! The children went away thinking about putting someone else before themselves – Ted in China class has already put this into action.

# Things to know...

## Meal Ordering

Please could we ask that when ordering your child's meal choice, you sit down together and choose their preferred option. We have had a number of children refusing to eat what was ordered for them and, as a school, we only receive what you have ordered to reduce food waste.

## Learning

### PE

Year 5 and Year 6 have been thinking about their Gymnastics skills. They have been creating balances and using muscle tension to do this.

## Music

China and Mexico class have been learning the ukulele. You can see Mexico class playing ukulele here and they were playing C major in their practise session. We are impressed with their musical skills and perseverance.

## Drama

We had Perform come to visit us today.

The children were transported to a magical toy shop that was closed. A villain was at the toy shop and the children had to rescue the toys and recapture the toy shop.

## Learning

### Forest School

Today the children in UK Class spent time making Speedy Bird Feeders ready to participate in the RSPB Big Bird Watch. They also toasted marshmallows on the fire and had great fun in the mud kitchen!

## Sport

### Tag Rugby

Well done to the children that attended the Tag Rugby festival at The Weald this week. Despite a last minute switch to the astro courts due to bad weather, they played with grit and determination and were able to really apply their skills to a game situation.

The children have collected Class Dojo points all week and this week's winners are
