Week beginning 26th January 2026

## Message from Mrs Copus

This week the school has been doing Buddy Reading. It is great to see our oldest pupils engaging so purposefully with our younger pupils and developing great relationships. With Reading Buddies and Play Leaders in place, we know the school is working with a sense of community.

## Living Church Links

This weekend we mark Candlemas. Father Paul spoke to KS2 about the end of the Epiphany season and what the festival of Candlemas is about. The nativity scene with the wise men will be put away until Advent at the end of the year.

## Learning

### Phonics

There has been some great phonics work going on in **UK** and **Thailand Class** this week - the children enjoyed putting their new found knowledge into practice!

## Mrs Armitage on Wheels

**UK** and **Thailand Class** had 'wheely' good fun bringing in their bicycles, scooters, trikes etc so they could ride around and see how 'machines' work like in their class reading book '**Mrs Armitage on Wheels**'.

## Hawking About

We were very lucky to welcome **Hawking About** into school to work with **NZ, SL and USA classes**.

As part of their topic, '**Predators and Prey**', the children had an amazing opportunity to learn all about birds of prey and see them up close. They were completely engaged, asked thoughtful questions and loved being able to hold '**Buzbee**' the barn owl!

# Curriculum

## Reading Buddies

Reading Buddies continued this week with our older and younger children pairing up to share stories together. This week, **Japan and NZ Class** and **USA and India Class** spent some time looking at books and reading to each other.

## RSPB Big Garden Bird Watch

UK class enjoyed a mostly sunny day at Forest School today. They made flags, bird biscuits - including cutting their own log 'biscuits' - and binoculars ready for the bird watch next week.

# Curriculum

## Writing

India Class have been using adjectives to describe a polar bear in their writing this week. They've done brilliantly and we were particularly impressed with Maddie's efforts!

## Learning through play

Thailand Class have a new cafe in their open area; the children have been busy making menus and taking orders!

They have also designed their own future machines in groups and are making them with junk materials. They are learning how to take turns and work collaboratively.

## Spanish

In Spanish this week, South Africa and Japan Class have been learning about their homes, they can now name the rooms in their house and describe their houses in detail. Why don't you ask them to tell you as a bit of a challenge!

# Sport

## Cricket

A fantastic afternoon at The Weald School for our year 5 and 6 boys indoor cricket team, winning all 4 games!

The boys showed brilliant teamwork, constant encouragement and some seriously impressive cricket on display.

Special shout-out to Oscar, a self-confessed non-cricketer, who took a catch off the very first ball in the final must-win game... and what a game it was – because the boys won and booked their place in the County Finals!

County Finals at BACA in March – here we come!

## Loving House Cup
