

'Superheroes' Homework Grid - Autumn 1
Italy

Please complete one activity from the grid below each week. We can't wait to see your learning.

PE

Create your own superhero obstacle course for your family at home.

English

Create a wanted poster for a super hero. What kind of qualities do you think they should have?

Maths

Show your knowledge of number bonds using objects you have at home. You could use anything from conkers to Lego!

Science

Mini-beast hunt! How many different types of insects can you find?

Art

Make a collage of your favourite superhero using lots of different materials.

RHE

Make a sunhat for your teddy bear!
