

'Journeys' Homework Grid - Autumn 2
India

Please complete one activity from the grid below each week. We can't wait to see your learning.

Geography

Think of a journey you have been on. It could be a walk around the village or a holiday. Draw a picture to represent this journey and label key parts - remember to include your senses!

English

If you could travel anywhere in the world, where would it be? Research your chosen place and create a fact file.

Maths

Create a 'First, then, now' story at home and draw a picture to represent this. For example: First, there were 5 children on the bus, then 4 more joined. Now, there are 9 children on the bus.

Science

Go on an autumnal walk. What can you see, hear, smell, touch and taste?

Art

Draw a picture to represent the 4 seasons - you could do this using paint, collage, or pencils - be creative!

DT/RE

Make a Christmas treat for your family - you could choose anything from mince pies and Christmas pudding to a gingerbread house or a yule log!
