

Hello, I have been asked to write a bit about myself so you can have some insight into me as your child's class teacher this year.

I am Miss Fuller and I am delighted to be teaching China Class this year. Having been part of the St. Mary's CoE Primary School community for the past three years as a teaching assistant, I feel very fortunate to return as a class teacher. I completed my Primary PGCE apprenticeship and gained QTS whilst working at St. Mary's, so it is particularly special to continue my teaching journey here.

I have previously lived within Pulborough and have an understanding of the community around us. Outside of school I enjoy paddle boarding (sometimes on the river Arun), baking and playing Bananagrams. I enjoy spending time outdoors with my fiancé, daughter and dog.

I take pride in creating a warm and supportive environment where every child feels valued and encouraged to thrive. I am looking forward to getting to know the children and families of China Class and to sharing a happy, exciting and successful year of learning together!
