Year 6 DT - Woolton Pie - Year 6 have enjoyed making Woolton Pie in DT this week!

Lord Woolton was appointed at the Minister of Food by Neville Chamberlain in 1940 - his job was to stop the nation going hungry at a time of scarcity. He established the rationing system so that everyone received a fair share of what was available. We learnt that the British public were encouraged to use home grown items to supplement their rations. Woolton Pie was named after Lord Woolton - this was a popular vegetarian dish recommended due to the shortages of meat, fish and dairy products during World War 2.

Antosh (Poetry) – Antosh came back and recorded five soundscapes with some of Year 4. We look forward to letting you know when these are published.

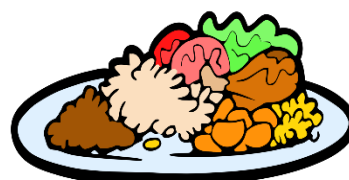

Happy Book certificates – It was great to award so many Happy Book certificates this week. Well done to those children who were awarded them.

Things to know...

Chartwells meal choices – Please could we ask that when ordering your child's meal choice, you sit down together and choose their preferred option. We have had a number of children refusing to eat what was ordered for them and, as a school, we only receive what you have ordered to reduce food waste.
