

Hello! My name is Miss Duignan, and I'm so excited to be Thailand's class teacher at St Mary's CE (Aided) Primary School. I joined the school in 2026 and have loved working in KS2—and I'm now thrilled to be part of the wonderful world of EYFS. Helping children grow in confidence, curiosity and happiness is what inspires me every day.

I studied English Literature and English Language at the University of Brighton, where my love of reading, communication and creativity really flourished. I also completed my PGCE at the University of Brighton, which helped shape my passion for creating engaging and supportive learning experiences for every child.

Outside the classroom, I enjoy swimming, travelling and going for long walks, especially when I can explore new places. I also love visiting places of historical interest, as I find learning about the past both inspiring and fascinating. I have a real passion for music, which began during my own school days, where I was part of a Rock Jazz Orchestra. I still enjoy playing both the flute and the cello whenever I get the chance.

I can't wait to get to know the new members of India class and to see all the exciting adventures this year will bring. If you ever have a question or would simply like to say hello, please feel welcome to catch me at the end of the day. You can also reach me via our class email: india@stmarysprimarypulborough.co.uk.

Kind regards, Miss Duignan
