

INFORMATION ON 31st JULY FROM THE PULBOROUGH UPDATE

Whilst every effort is made to make sure the information is correct, please let me know if there is anything that needs to be added or changed f.stroud@btinternet.com

NEXT WEEK'S UPDATE MAY BE A BIT LATE

THE PULBOROUGH NEIGHBOURHOOD PLAN

It is important that you are aware of what it recommends as it is about the future of your Pulborough: if there is something that is missed or you don't agree with please say. No response is taken as your agreement.

If you wish to comment you have until the end of August.

Changes can be made as a result of your comments. It follows other public consultations and an independent planning inspector, when hopefully, it will come back to the village for the Public Referendum of Pulborough Parish Residents.

Further changes can be made in the light of comments submitted and then the Plan will go to Public Referendum of Pulborough parish residents.

If there are more votes in favour than against, even by a single vote, the Plan is then 'made' and will have legal force on planning matters
