Dear Parent/Carer,

We are excited to announce that there is a brand new and exciting **Technology Club** starting every **Tuesday, 3:20pm-4:20pm** with the first session **25<sup>th</sup> September**.

With 75% of jobs in the future that will involve the use of technology and a shortfall of experts to share their wisdom, we have set up a club dedicated to children who want to excel in the **STEAM** (Science, Technology, Engineering, Arts and Mathematics) subjects, and provide them a first-class education using the **best, fun and engaging technology**.

If you want to learn a musical instrument... You would go to a music club.  
If you want to learn how to play tennis... You would go to a tennis club.

But where would you go to learn how to create a **motorised alarm clock, attached to a 3d-printed and programmed robot, that dances to your own digitally-produced beat**? The Tech Club, that's where!

The **technology we use is not often within reach** for children, so the after-school club gives the children a chance to get the best use out of the best technology with techno-crazed teachers without having to purchase.

Building technical and creative confidence, the clubs equip students to solve real world problems on their own. All staff are **DBS checked** who are enthusiastic specialists in this field.

The club is for **key stage 2** pupils only and runs termly **throughout the year**. The fees for the Autumn term, **9 sessions** are £90. Spaces work on a first come first serve basis. To enrol simply select the termly enrolment option on the club's page of our website.

**[www.nextthing.education/clubs](http://www.nextthing.education/clubs)**

Kind regards,

NextThing.Education

## *About us*

Purely Sport is a fresh and exciting sports coaching company, providing a safe and enjoyable environment for every participating child, regardless of age, ability or background.

Purely Sport currently provide an extensive range of coaching opportunities including PPA time coaching for schools, Breakfast and After School clubs, Weekend Coaching and holiday coaching courses.

At Purely Sport, our mission is simple, "To provide every child with the opportunity to enjoy the benefits of sport through a high quality level of coaching." It is proven that PE makes a significant contribution to pupils' personal well being, development and enjoyment of school.

**"More physical education in schools leads to better motor skills and it can also sharpen students' learning ability"**

Why don't you come and give Judo a go? Your first lesson is free and if you then want to continue with Judo, join the class register.

Judo is a very unique and dynamic sport, which requires a variety of skills, including good self-discipline, control and co-ordination. It is an effective form of self-defence, a great confidence booster for the more shy and timid children, along with a controlled outlet for the more boisterous. Judo also introduces the use of a foreign language to the children and with all these positive points, and things to learn, the main satisfaction comes from seeing the enjoyment that the children have.

Please note that we have a kit hire/buy facility.

Terms tuition fee £33 .50

Terms kit hire fee £5.00

Please contact Joe Newton directly to book or for more information.  
Please make cheques payable to Schools Judo Club

---

### **Newcomer's Trial Slip/Booking Form**

Please hand this slip to the judo coach for a trial lesson.
