FOREST SCHOOL: POLICIES & PROCEDURES

The following policies are the minimum requirements for the safe running of Forest School activities. They are in addition to the main school policies and do not replace them, although they may overlap them.

All members of staff and volunteer helpers have a duty to follow these policies and should be familiar with their contents. A sheet is provided at the front of both the 'Policies and Procedures' sections of the Forest School Handbook for all Forest School leaders/assistants and volunteer helpers to sign, thus stating they have read the handbook, including all policies and risk assessments.

Policies located in the handbook are as follows:

- Behaviour
- Clothing (referred to in First Aid kit list)*
- Eating Policy
- Emergency Procedures
- Equal Opportunities at Forest School
- Fire Safety
- Hand Tool Safety
- Health & Safety (Forest School)
- Risk Assessment
- Lost Child
- Toileting
- Volunteer Helpers
- Walking on Roads

***Note:** All children must be included in Forest School sessions, appropriate clothing will be supplied by school.
