**Harvest Fayre** – St Mary's were heavily involved in the Pulborough Harvest Fayre this year. It was fantastic to see so many scarecrows with the theme 'Sporting Heroes'. They lined the Glebe field. Thank you to all those children who took the time to participate. In addition to this, St Mary's children's art work filled the church in the form of an art gallery. There were so many positive comments about the high standard of work. Thank you to the staff and PTA of the school who ran a stall with the hampers and bottle tombola. The PTA raised about £720 and the Year 6 raised £110 is going towards the Big Top. Year 6 children were also present at the Harvest Fayre fundraising for the Big Top with decorating biscuits. They showed great independence with this task and they were so encouraging towards the younger children as well as showing the Christian values of friendship, compassion and helpfulness. Thank you to those Year 6 children who gave up their time.

**Little Explorer news** - This week we have started to explore Autumn and have been sorting conkers of different sizes. We have been using apparatus to measure different amounts and sorting accordingly. We have had a visit from Boogie Beats where we learnt about the way different animals move and listened to a jungle story re-creating the actions and scenes. In fun phonics we made shakers with different shaped pasta in to hear how different sounds are made. The school has kindly allocated an area on the field and we are in the process of securing it by the kind help of Shelley the builder. We aim to provide a lovely range of outdoor activities and resources for the Early Years children to explore, we warmly invite reception children to join us.

**Meet The Teacher** – The hall was packed with parents and it was great to see so many faces and supporting the teachers with their new classes. It was important to introduce the staff team for this year and to talk about our school priorities. We are due an OFSTED at some point in this academic year and so raising attendance, progress across the school and engagement of all children but especially the boys is something all the staff are committed to improving. We are a school team and parents need to be aware of our priorities and how we want to move the school forward. In addition to this, it is important that we celebrate our successes and we have been so fortunate to have the new Early Years and Key Stage One department refurbished making this a wonderful learning environment. We have also had the hall floor replaced. During the year we are hoping to make investments in the library through grants and also we are looking at the sustainability of the swimming pool. If you missed this and would like a copy of the presentation done by the class teacher, then please ask them directly.

**School Council** – The school council are being very proactive this year and they would like to hold a second hand toy sale/swap shop for the children and to raise money for two of our chosen charities; Family Support Workers and Chestnut Tree House. Children who wish to donate an old toy **can bring them to school on the 5th October 2018**. After school the children and parents are invited to come and purchase a second hand toy from the selection donated and prices will range from 50p upwards. Children will be able to recycle their old toys giving others an opportunity to enjoy them whilst raising money for the charities. Any left-over toys will be donated to the charities and we ask that you ensure toys and games donated are in good working order.

**Stone Age days** - Ireland and New Zealand class: A huge thank you to Green Caterpillar for running these super starter days with the Year 3 children. It gave the children an opportunity to really explore what it would have been like in the Stone Age with fires, tools and camps.

**Lions Books** – We must say ‘Thank you’ to the Lions for their visit this week. They came with a whole selection of children’s books which the children were allowed to choose from and take home. It is so important to raise the importance of reading and I have heard a few stories of how grateful children were. One child has been walking around with their book and not wanting to put it down. Thank you to the Lions.

**Jeans for Genes Day** – It was the most amazing cake sale and non-school uniform day. Thank you to Kate Bryan for organising this and we were able to send **£398.95** off to this deserving charity.

**Vine leaves** – **Brooke Spiers** received a vine leaf for friendship as she bought cakes for others out of her money. **Logan Wilson** for being so thoughtful in his class and being a team player. **Darcy Wilkinson** for kindness and friendship – a child was upset and she managed to assist her to an adult and then followed up the day after to ensure that she was ok. This was so lovely to see. **Matthew Hunter** for kindness and friendship –he offered to have lunch with someone who had no one to sit with.

**Dyslexic Type Tendencies 6 weeks Parents Support Group.** **This training is so important if you feel that your child may have Dyslexic tendencies.** Please make a special effort to come to the last few training sessions as it could make such a difference to your child's learning. These sessions are continuing and will be from 1:30pm -3:15pm and there will be some information sharing and then some discussion. **The next dates are the 3<sup>rd</sup> Oct, 10<sup>th</sup> Oct and 17<sup>th</sup> Oct.** Please let the office know if you are interested in attending.

**Harvest Eucharist** – Article by William Orrell, photos by Albert Gooda – On the 27<sup>th</sup> September, Father Paul came into school to conduct the Harvest Eucharist service. So first of all we had the saying sorry and then Fr Paul told the story of the lepers who didn't all thank Jesus for his miracles. Then Fr Paul talked about being thankful and told a story about a girl illustrated this point. The Year 6 pupils read the Harvest Prayers and we sang Harvest Hymn and Harvest Samba followed by the bread. **We are lacking in Harvest gifts at our Eucharist and will be collecting gifts this week to go up to church – please give generously as the gifts do go to FSW – Family Support Work.**

**Reading Challenge** – Isla Kendall was very lucky yesterday to find out she won a prize for taking part in the summer reading challenge! Isla brought in her prizes as she thought she could encourage others that maybe hadn't done the reading challenge to take part next year! The library said they had around 160 children take part which is a great and, as a school, we are hoping to get more children involved next year. t! We saw so many certificates and medals at the beginning of the year which was very encouraging. She got a bookmark, fluffy pen, writing pad, book and a whoope cushion!

**Walking Bus** - We look forward to welcoming the children on the Walking Bus from 8.15 at the Pulborough Sports and Social Club. However with the weather turning colder and wetter – all the children need to be appropriately dressed as there is a period of waiting prior to departure and wearing good walking shoes. They therefore need a waterproof coat, waterproof shoes and potentially scarves, hats and gloves.

**Pulborough Rugby Club** - Pulborough RFC are running a Girls Only Rugby Camp on Monday 22nd and Tuesday 23rd October through Lions Sports Academy. The girls rugby camps are ran by high profile female rugby players, playing in the Tyrrell's Premiership (top league in UK) or International level.

**Safeguarding** – Our safeguarding culture in school is very important to us. Our Child Protection Policy has been updated for this academic year and all of our staff have had their safeguarding training. If you would like to see our policy it is on our school website.

**Starting School** – Our open afternoons are in full swing and it has been great to welcome many new faces to look around St Mary's. If you have a child that is 5 years old in 2019 – 2020 then please come and look around. We have another open afternoon on Tuesday 16<sup>th</sup> October 2 – 3pm or you can phone the school and make an appointment.

**Parenting Course** – a few parents have approached me regarding parenting courses. Attached is a flyer that gives more information if you are experiencing parenting difficulties.

**Lunch time clubs-** Keys Stage 2 pupils that are taking part in a lunchtime sports club **will need to bring in a packed lunch** that can be eaten after their club in the school hall.

**Flu Nasal Immunisation** - Thank you to all those parents who have returned the NHS form for the Flu nasal immunisation. The courier will be collecting the forms on Wednesday 3rd October, so please may I ask that all forms are returned before this date. The immunisation team will be here on Friday 19th October 2018 for Year R,1,2,3 &4 and Tuesday 13th November 2018 for Year 5 (due to residential)
