POLICIES & PROCEDURES

The following policies are the minimum requirements for the safe running of Forest School activities. They are in addition to the main school policies and do not replace them.

All members of staff and volunteer helpers have a duty to follow these policies and should be familiar with their contents. A sheet is provided at the front of both the 'Policies and Procedures' sections of the Forest School Handbook for all Forest School leaders/assistants and volunteer helpers to sign, thus stating they have read the handbook, including all policies and risk assessments.

Policies located in the handbook are as follows:

- Behaviour
- Clothing Policy (included in First Aid Kit List)
- Eating Policy
- Emergency Procedures
- Equal Opportunities at Forest School
- Fire Lighting, Safety and Cooking Procedure
- Hand Tool Safety
- Health and Safety (Forest School)
- Lost Child
- Risk Assessment
- Toileting
- Volunteer Helpers
- Walking On Roads
