

St Mary's C of E (Aided) Primary School

Key Stage Two Results – 2017

	Reading	Writing	Maths	GPS	RWM
Average scaled score	104	97	103	106	
Average progress score	-3.7	-6.5	-4.0		
% pupils reaching or exceeding new expected standard	69	67	76	76	60
% pupils working at higher standard	20	11	7	20	4

Progress at St Mary's was below national average.

The floor standard set by the DfE for the percentage of children to reach or exceed the new expected standard in the combined RWM was 65.

	National	St Mary's	Local Authority
% pupils reaching or exceeding the new national expected standard in the combined RWM	61	60	55

Children at St Mary's were close to the national average and better than the local authority average.

Key Stage Two Results – 2016/2017 comparison

% pupils reaching or exceeding new expected standard	2016 National	2016 St Mary's	2017 National	2017 St Mary's	% increase 2016 to 2017
Reading	66	52	71	69	19
Writing	74	38	76	67	29
Maths	70	52	75	76	24
GPS	73	48	77	76	28
RWM	53	31	61	60	27

There was a significant increase in pupil outcomes in all areas, most notably in writing and GPS. This was as a result of confident teaching, raised expectations and a relentless commitment to excellence.
