

Welcome to Mexico Class!

I would just like to introduce myself and tell you all a bit about me.

Teaching is my passion.

I began my teaching studies at London Metropolitan University with a BA Honours in Education studies. I then worked in a nursery and was a Teaching Assistant for a while. Once my children started school, I decided to go back to University and completed my PGCE at Chichester University. I have experience of teaching in both KS1 and KS2 and I am also a staff governor.

I have 4 children and 1 grandchild, 1 dog, 3 cats and 2 guinea pigs – so I have a very hectic life! In my spare time – when I have some – I really enjoy spending time with my family, reading and going to the gym.

I look forward to meeting you all.

Miss Sleat
