

Hello from Miss Moore!

My name is Miss Moore, I am in my NQT year at St Mary's and I am extremely excited to start my journey in Sierra Leone Class.

I ensure that each morning every child is greeted with a smile and I believe that my classroom is a happy place to be.

At weekends I enjoy spending time with my friends and family, cooking dinners and going on dog walks (whatever the weather!). I also love my sport; I was a competitive swimmer for over 12 years, so I am looking forward to swimming in the Summer Term.
