

St. Mary's CE (Aided) Primary School, Pulborough

A Christ-centred school, with a child-centred curriculum

Welcome to our school!

We are an Ofsted-rated outstanding Early Years team where 'strong teaching ensures that all children make excellent progress and are well-prepared for the next stage of their education.'

This prospectus will give you a small taste of what life is like at Mary's and what your child will need when they join us in September. During this difficult time when you are not able to visit us, we hope that this information will answer some of your important questions and help your family feel more prepared to start school.
