“A Christ-centred school with a child-centred curriculum”

Friendship, generosity and thankfulness

Telephone: 01798 872007

3rd July 2019

Big Top – The Big Top is arriving this weekend. We are so looking forward to the production of Peter Pan next week. If you haven't got your tickets then please contact the school office. It is always a fantastic evening out and there will be refreshments on sale as well.

Staffing – Mrs Bridge has handed in her notice as a teaching assistant but will be joining us to complete her teacher training and she will be an additional teacher in Sierra Leone class.

Time keeping – Please ensure all children are in school for registration at 8.45am, we are have more and more children missing registration which then leads to them being marked as late on the register. Also as of September for safe guarding reasons, we will not be opening the gate until 3.15pm, and will not be allowing any early collections before this time unless it is for a pre-authorized or medical reason.

The Weald – We are so fortunate to have had The Weald School come and visit on Monday. The Year 9 children came with their DT projects of storybooks and shared these with our children. This is a fantastic way to get our children engaging further with books.

The Park – This is just to make you aware that there have been a few incidents in the park recently and the children have been unsupervised. Please be vigilant as I would hate something awful to happen to a child.

Just Enough Group: - Phil Knight will be on the playground on Wednesday. If you are interested in his **Summer Camp**, please do go and chat to him and it will be lots of fun but also educational.

Parking – I have had some complaints about parking. Please park courteously at all times. If you have a concern about parking, please contact Operation Crackdown on www.operationcrackdown.co.uk and we will also be having random parking warden visits so please be aware.

Vine leaves – **Audrey (SL)** has been awarded a vine leaf for thoughtfulness. After listening to Mrs Heath's talk about Sierra Leone, Audrey went home and made some cakes which she sold to her neighbours to raise money for Education West Africa. **Kristof and Reuben (SA)** have been awarded a vine leaf for friendship. They have such a mature attitude towards friendship and have been teaching others through their example.

First Aid – Year 5 were given the opportunity to learn some lifesaving skills this week. A representative from Little Life Savers came to the school and showed the children how to perform CPR, how to place someone in the recovery position and how to perform the Heimlich manoeuvre which can save someone from choking.

It was amazing to hear that following training given to children in other schools they have had at least three lives saved by children administering the Heimlich manoeuvre safely and with success.

Please note that the Heimlich manoeuvre and CPR should never be practised by the children on their friends for fun.

Seaford College – Seaford College visited our school this week on a 'Community Day'. They came armed with paintbrushes and paint and have reinvigorated our fences around the swimming pool. Thank you to them for making a difference to our school.

Roman Workshop – NZ and Ireland class have the privilege of the Novium Museum, Chichester this week. They brought in a selection of Roman artefacts to share with us. The children were lucky enough to try on a Roman helmet and Roman armour and we looked at a replica Roman sword.

William Orrell report: - Monday 24th – Friday 28th May. Last week classes throughout the school participated in Sports Week. The biggest event in the week was probably KS2 sports day but KS1 still enjoyed various sports like cricket and golf. Other sports included Bowls and wheelchair football. Congratulations to the Blue Team who emerged victorious in the KS2 Sports Day.

Soccer Aid - The children were raising money by seeing how many times they could keep a football in the air before it fell to the floor. The record was 68 balls in the air, a fantastic feat made by Albert G. Each child that entered the competition had sponsorship and have raised even more money for Unicef.

Aldingbourne - Year 1 and 2 were lucky to take a trip to Aldingbourne Country Centre. We went on a bug hunt and visited the farm. The maze, water and sand area and the train were amazing fun!

ParentPay – From September we will no longer be using Joinos as our on-line payment system and will be using ParentPay, if you have a child at The Weald, you will already be familiar with this payment system. Details and login information will be with you before the end of term.

Disco – Tuesday 16th July

Reception Classes and KS1 - 5.00pm – 6.00pm

KS2 - 6.15pm – 7.30pm

The children are not allowed to bring mobile telephones to this event.

Little Explorer news – This week we have been looking at insects the children have shown a real interest in bug hunts so we have done lots of exploring the outside to find different bugs. They have enjoyed playing with bugs in jelly, making insects with the clay, practicing their number and cutting skills and using the trim trail.

Want to do something different this summer?

THE BEST SUMMER CAMP EVER*

SERVICES

At DPD Coaching Services we are passionate about swimming and making sure every pupil gets what they want from their lessons. Established in 2001 and now covering West Sussex and parts of Surrey, all of our sites have the finest facilities to teach both children and adults, be it learning to swim or improving technique.

So if you're finding it hard to get lessons, dissatisfied with your current lessons or the teacher keeps changing from week to week then DPD Coaching Services can help you.

What do we offer

We offer lessons for all ages and abilities from children to adults so look no further we have the ideal lessons to suit your needs.

Group lessons – run in conjunction with the school term, small classes for faster progression and all classes work in line with the ASA certificate program.

Private Lessons – We offer one to one, two to one and three to one lessons at most of our venues.

Crash Courses – Intensive lessons for faster progression, run during the Easter and Summer holidays.

Home Tuition – If you have a pool at home then we can come to you.

Prices – Prices vary depending on location, call or email for more information.
