Please ensure that children's swimming kits come in on Mondays. Earrings must be removed for swimming lessons and children with long hair will require a swimming hat. Verruca socks must be worn if required; these can be purchased from the local chemist or pharmacy. Please make sure that sun cream or hair gel are not applied before swimming.

We require written/emailed consent if you would like your child to wear goggles for our Swimming lessons.

Homework:

- **Reading logs** - please continue to ensure you listen to, or monitor, your child reading three times per week and this is signed and dated in their reading log. Reading logs should be in school every day. In Key Stage 2 we will encourage them to write in their reading logs as independently as possible. This will form an important part of my assessment for reading, and is a key dialogue between home and school. We have a wonderful library system up and running and whilst in school children will be selecting their own reading books.
- **Weekly spellings** - these will be scheduled on a Tuesday and tested the following Tuesday. Please ensure your children are practising their spellings at home each week. There are lots of fantastic apps which can help with this - Spelling Shed and Spelling Bee are recommended. I have also placed the 'Bloom's Taxonomy' spelling sheet onto Google Classrooms, which gives you lots of fun ideas on how to learn your spellings.
- **Times tables** - Please ensure your child is practising their times tables at home each week. By year 4 they should be practising ALL of their times tables and increasing their recall speed. Please use **Times Tables Rockstars** to practise as much as possible. Any games for times table would be beneficial so please make sure you are practising. There are YouTube songs that could help that you could have playing as well.
- **My Maths, Accelerated Reader, MyOn and Purple Mash** are also other websites the children can access to help with their learning.
- **Homework:** A new homework grid has been uploaded to Google Classrooms and a paper copy sent home this week. This term, we would like the children to complete five pieces of homework in the first half of term and six pieces of homework in the second half of term. Please can you email in the learning each week and we will share their learning Friday. The first piece of homework should be handed in on Thursday 5th May.
- The children should spend no longer than one hour on their homework each week.

Other Important Information

School Uniform - When in school please ensure that your children are adhering to the school uniform. Trainers are not acceptable as school shoes; boys should wear dark socks (black or grey), and girls should not be wearing frilly, brightly-coloured hair accessories (black or navy hair bands only, please).

Allergies - we are a nut-free school. We politely request that you ensure your children does not bring nuts into school as a snack or in their packed lunches. This includes any food item that may contain nuts.

Written permission - written permission is required annually from you should your child be collected from school by an alternative adult, for example, someone who would be picking up your child from school on an ad-hoc basis. This includes other parents with whom your child may be going on a play date. We do not allow siblings under the age of 16 to collect from school without a written request from you and acceptance from the school.
