Торіс	YEAR 3 HOMEWORK - SPRING TERM 2020 - PREDATORS AND PREY					I AM GOING TO CHOOSE
Literacy and Communication (YOU MUST DO AT LEAST <u>ONE</u> OF THESE EACH HALF TERM)	Animal Booklet Make a brochure or leaflet showing facts about an animal or selection of animals of your choice. Remember to present your work neatly and add pictures or drawings of the animals. This could even be done on a computer!	<u>Animal Poems</u> Write a poem based on an animal or animals of your choice. This can be a poem of your choice (repeating, acrostic, shape poem, etc).	<u>Story Books</u> Write a story involving an animal. Present it in a book made in a way of your choice! Remember to illustrate it and make it bright and colourful.	<u>Mythical Creatures</u> Research a mythical creature and write a description of it. Remember to include lots of descriptive language. Can the rest of the class guess what mythical creature you are describing?	Letter Writing Write a letter to a chosen organization (WWF, RSPB etc) persuading them to do more to protect an endangered animal of your choice. You could even post your letter off and see if you get a response from them!	1. 2.
Maths and Problem Solving (YOU MUST DO AT LEAST <u>ONE</u> OF THESE EACH HALF TERM)	<u>Bird Wingspans</u> Research the length of the wingspan of different birds. Measure these out at home and show them in a way of your choice (tape measure, Lego, scarf, etc!). Take pictures to show how big each bird's wingspan would be.	<u>Number of days in a</u> <u>month</u> Find or create your own rhyme to help people to remember how many days are in each month of the day, Present your rhyme in a way of your choice. Be prepared to read it to the class!	<u>My Maths</u> My Maths homework will be set on occasion for you to have a go at. https://login.mymaths.co.uk/	<u>Word Problems</u> Create a set of word problems based on animals using the four operations $(x, +, -, \div)$ . Remember to include your working out of the answers so we can ask them to the class.	<b>? M=A:T+H</b> A= A= A= A= A= A= A= A= A= A=	1. 2.
Science and the outside environment (YOU MUST DO AT LEAST <u>ONE</u> OF THESE EACH HALF TERM)	<u>Lego Animals</u> Create a model of an animal using Lego. Make it as lifelike as you can! Take a photo to show the class.	<u>Animal Hunt</u> Look in your garden or a local park for mini-beasts or signs of larger animals. Take pictures of them. Can you identify what they are?	<u>Healthy Eating</u> Create a meal plan for a family to have for the day (breakfast, lunch, dinner). How can you make sure that you are providing a balanced diet?	<u>Plants in different</u> <u>countries</u> Research which different types of fruits are grown in different countries. Which of these are available in the local supermarkets?	<u>Plants</u> Find a flower in your garden or the local area. Draw a diagram of it. Can you label the key features of the flower? You could also take a photo of it to show!	1. 2.
Humanities and Citizenship (YOU MUST DO AT LEAST <u>ONE</u> OF THESE EACH HALF TERM)	<u>Animals in different</u> <u>countries</u> Pick a country around the world and research the animals that live there. How are they different to the animals that live in the UK?	<u>Animal Art</u> Choose an animal and create a piece of art work showing it. This could be done using any material you like (pencils, paints, collage, etc).	<u>RE - Bible Quiz</u> Create a quiz for the rest of the class about the Bible. Use what you have learnt in class over the past year and any other facts you know. Remember to bring it in for the class to have a go at!	<u>Spanish - Animal names</u> Learn some of the different types of animals in Spanish. How many different kinds can you remember? Write them down presenting them in a format of your choice.	Cooking - Predators and Prey biscuits Make some GLUTEN FREE biscuits in the shape of animals of your choice. Remember to bring them in for the class to share!	1. 2.
