**“A Christ-centred school with a child-centred curriculum through wisdom and love”**

Telephone: 01798 872007

WB 22<sup>nd</sup> November 2021

**Welcome** – We have had three new families arrive at school in the last couple of weeks so a huge welcome to them as part of our St Mary's family.

**Curriculum** – The children are fully engaged in their topics this term and the skills and knowledge progression grids are helping us to move their learning on quickly and embed vocabulary in their lessons. The grids are available on our school website under the “Curriculum” tab if you would like to have a look. The progression grids help us to see the curriculum journey that the children make through the school.

**School Development** – This week the staff looked at writing across the school and how we make our judgements. The teachers focussed on some key criteria and looked at what their judgements would be, and then had this ratified. It was brilliant for our professional development to have this reminder, as writing is on our school development plan. The children have completed the PIRA and PUMA checks this week, this is so we can analyse the papers and find the gaps for the children and their year group. These gaps will then be addressed by the teachers on their planning for the last few weeks and going in to the Spring term.

**Anti-bullying week** – One kind word goes a long way and many of the teachers have commented on hearing the children use their kind words this week.

**Lighting the star at church** – We are selling raffle tickets on the playground to give a family a chance to light the star at church. If you are new to the village, this is an annual event and the star shines over Pulborough during Advent.

**Vine leaves** – **Jessica L (SA)** for the exceptional kindness that you show towards others and your determination to give your very best in all that you do. **Tyler C (Chi)** as he was very helpful to me yesterday afternoon when I could not find the register on the computer, and he could see I was in need of help! **Maryanne (Ita)** - for being sincere in her kindness and consideration towards another pupil. **Jordan (Ita)** - for making a great first impression and making a positive start in Italy class. **Olivia, Martha, Anna and Liam (SL)** for showing kindness in class supporting their peers with their work during science.

**Achievements** – Well done to the boys in Ireland class for winning their football matches.

**Children in Need** – What a huge array of pyjamas, onesies and spots! Thank you to everyone for joining in, we raised **£289.59** and this goes to Children In Need charity.

**PTA Christmas Hampers** - Plans are underway for a Christmas Hamper Raffle. If any local businesses can help with donations then please let myself or a member of the PTA know. Many thanks in anticipation.

**Jim Beckett** – Reading is at the heart of what we do and author visits are an important part of this ‘reading diet’. This half term our author was Jim Beckett who wrote ‘The Caravan of Doom’. Jim spoke to the children about how he gets his ideas for writing. Some of the children have come in to school with examples of how they have tried this at home.

**Christmas Productions** – As we only have one confirmed COVID case currently in KS2 we are going to try and continue with the EYFS & KS1 Christmas productions.

- Thursday 9th December EYFS 2.15pm & 5.30pm,
- Monday 13th December KS1 2.15pm,
- Tuesday 14th December KS1 2.15pm & 5.30pm

These dates are now on the school calendar on our website. We will be asking for parents to do lateral flow before arriving and we will be asking to see the negative result on the NHS app. We will also ask that visitors to the school wear masks throughout. Doors and windows will be open for ventilation so please wear layers.

Please note that we may cancel the parents attending at any time if cases rise again then we will go over to Zoom as part of our COVID risk assessment. We are selling tickets on a first come, first served basis, and a letter giving details will be out shortly, as we are a cashless school, payment will be via Paypal. If any performance has to be cancelled, payments will be refunded, less the Paypal transaction cost.

Despite losing two members of their squad on the day, the girls battled their way through over an hours' worth of football without any substitutions. They recorded 3 narrow defeats and a 3 - 0 victory in their final game against Kingslea Primary 'A' Team. **Brooke G** continued her excellent form with two goals taking her overall tally to nine and Captain, **Amelie E-W** scored her second in the league. **Player of the day was Polly B** for the huge improvement in her overall game.

**Badminton** – Well done to Y3 that participated in the Badminton at Collyers. On Tuesday, a group of 10 Year 3 children took part in a badminton festival run by Horsham Sports Services at Collyer's College. This was the first time that any of those involved had played the game before. The children learnt a variety of skills such as serving, footwork, racquet grips, backhand and forehand shots as well as being given the opportunity to try these out in competitive games. Well done to all who took part and a special mention to **Imogen W and Sienna M** for their long rallies.

The children can read comics, newspapers, recipe books, fiction books, non-fiction books and anything else that has print on it. Below are reading lists that may help.
