

| YEAR 4 HOMEWORK – AUTUMN TERM 2020 – RUMBLE IN THE JUNGLE | | | | | | I AM GOING TO CHOOSE... |
|---|---|---|---|--|---|-------------------------|
| Literacy and Communication (YOU MUST DO AT LEAST TWO OF THESE EACH HALF-TERM) | Information Text Choose a rainforest animal to research and present what you know about them. Include what it eats, where in the rainforest it lives, how it survives (e.g. does it camouflage? Is it a predator?) and any interesting facts. | Diary Entry Write a diary or journal entry pretending you are on a journey through the rainforest. Remember to describe what you might see and hear, and how you might have felt along the way! | Debate Should tigers be kept in captivity? Present your reasons for and reasons against tigers being kept in captivity as you like e.g. in a table, as a thought shower. | Author Who is your favourite author? What books has he/she written? What do you like about their books? Can you find some interesting facts about this author? | Extreme Reading Take a photo reading in an interesting or unusual place. This could be reading under your bed or on a climbing frame – wherever your imagination takes you! Obviously it needs to be somewhere safe. What book are you reading? Write a review of your book to go with the photo. | 1. |
| | | | | | | 2. |
| | | | | | | 3. |
| | | | | | | 4. |
| Maths and Problem Solving (YOU MUST DO AT LEAST TWO OF THESE EACH HALF-TERM) | Jungle Word Problems Choose one or more of the four operations (+ - x ÷) that we will cover in class this term. Write some one or two step Jungle themed word problems. Present your word problems on cards to be added to our Maths Challenge area. Can you produce your own answer sheet? | Animal measurements Find out the length/height of at least 5 different rainforest animals and order them from smallest to largest. | River or Sea Research Research a sea or river from around the world and create a poster including mathematical information about it, for example, length, width, depth, speed of current. | Rainforest Top Trumps Make a set of rainforest animal themed top trump cards. Your top trumps can include two, three or four-digit numbers. When you have completed your game, play it with a member of your family. Remember to practice reading the numbers aloud and writing them in words. | Shape i-Spy... Interesting shapes are in the house, in the streets and everywhere on your travels. Some shapes can be found everywhere and are easier to find than others. Whether you are out and about, in the car or around the house, try and find examples of different shapes. For example, photographs, drawings, magazine/newspaper cuttings. | 1. |
| | | | | |  | 2. |
| | | | | | | 3. |
| | | | | | | 4. |
| Science and the outside environment (YOU MUST DO AT LEAST ONE OF THESE EACH HALF-TERM) | Endangered Animals Choose an endangered animal to find out about. Choose how to present the information you have collected. | Invertebrates Make a careful and accurate observational drawing of an invertebrate found in the local environment. | Electricity Dangers Think about dangers of electricity in the home. Design a poster to warn of the dangers of electricity in the home. | Electrical Appliances Look around your house and list as many electrical appliances as possible. You could take photos of these. Remember to write down what the electricity makes them do, and if possible, how it works. How would your day be without these electrical appliances? You choose how to present this information e.g. a piece of writing, a comic strip, a poster – be creative! | | 1. |
| | | | | | | 2. |
| Humanities, Citizenship and Art (YOU MUST DO AT LEAST ONE OF THESE EACH HALF-TERM) | Find out where in the world rainforests are located. Choose one rainforest to research and present some facts about it in a format of your choice. | Create a piece of artwork showing a plant or animal that lives in the rainforest. You can choose which materials to use for your artwork, e.g. paints, pencils, pastels, collage. | Research which food produces come from the rainforest. Compare these to the foods you might see growing typically in the UK. Describe similarities and differences between them. | Make a model or poster to show the 4 different layers of the rainforest. | | 1. |
| | | | | | | 2. |
