

### Forest School Sessions Autumn Term 2018

We are keen to build up a small team of volunteers who attend each week. We do however ask for volunteers to go on our parent/carer rota. We welcome grandparents too. The high number of adults on site enables child led learning and safe risk taking to take place - this being a crucial part of the Forest School ethos. All volunteers need to have had or be in the process of having a DBS check by the school.
