Time

Research repeatedly shows that the more time pupils spend in lessons, the more they learn! It is for this reason that the length of the school day has increased in the past few years. It is also the reason why the Headteacher takes a great deal of interest in the amount of time that pupils are absent from school, whether through illness or holidays.

- There are thirteen weeks of school holidays for pupils.
- The loss of learning due to holidays in school time can add up over the course of a pupil's career.

The Headteacher will not authorise absence for pupils during SATs tests.

'Lost Time'

If pupils take two weeks of annual holiday in term time every year, then:

By the end of Key Stage 1 (Year 2)

- They will have lost over a month of learning.

By the end of Key Stage 2 (Year 6)

- They will have lost three months of learning

By the end of Key Stage 3 (Year 9)

- They will have lost four months of learning

By their GCSE exams (Year 11)

- They will have lost more than six months of learning

THIS WILL AFFECT THEIR RESULTS!
